Dear Parents/Carers

School Photographs

In light of the current situation regarding covid, we have taken the decision to only allow photographs for Year 7 and their siblings who are in this school which are scheduled for the 23 October 2020.

It is our intention to ensure the remainder are photographed but in all probability it will be during the Spring Term. Rest assured as soon as we have a date, we will inform you.

In the meantime, thank you for your understanding.

Kind regards

Yours sincerely

Wayne Randle
Headteacher
