

## Year 6 Tours of Mullion school

Deciding on which secondary school will be entrusted with the education of your children is such an important decision. It is a responsibility we take very seriously which is why we have decided to offer tours to those parents who are genuinely finding that decision tough to make.

Normally we would have run two Open Days complete with parental tours to allow you to see what we do on a working day. However, these are very different times and we are unable to invite you in such a large group so will therefore be offering individual and small group tours.

Small group tours will begin at 4pm and this our preferred option. However, if you believe that you have exceptional circumstances and therefore need an individual tour during the working day, this can be considered.

Please contact us on **01326 240098** or [enquiries@mullionschool.org.uk](mailto:enquiries@mullionschool.org.uk) for further information.

**IMPORTANT: These tours are only for families who are unsure of which school their child would like to attend.**
