RE: Year 8 Gothic Day

Dear Parents and Carers,

We are holding our annual Gothic Day on 11th January 2019. This is to tie in with our unit of work on Gothic Literature. Throughout the day students will be involved in a number of workshops exploring the key conventions of the gothic genre.

Amongst other things, students will explore typical gothic characters, and we would like to offer students the opportunity to dress up as a gothic character such as Dr Frankenstein or Miss Havisham. Students who choose to dress up can take part in a fancy dress competition. Please note that the gothic genre is very different to horror and costumes should be created with this in mind. Students who do not wish to partake **must** come to school in their uniform.

In addition, students are also invited to take part in a gothic themed cake competition. Cake or bun decorations should represent the gothic genre. All entries should be brought to the hall before morning registration. Entries will be returned to students in the afternoon unless they would like to sell them during the lunch period with proceeds going to the school library.

Judging for both competitions will take place during afternoon registration.

Yours sincerely,

Ms R Goodrum  
Teacher of English
