Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility
www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility

Access Arrangements Policy

Please see appendix 9 'Access Arrangements 2021-2022'
