9 December 2025

Dear Parents and Carers,

I hope this letter finds you well.

We know that illness has kept a number of students away recently, and we wish them a speedy recovery. At the same time, I want to stress how important it is that every child attends school every day whenever they are well enough to do so.

At Mullion, we believe in “*Dream big, fly high, go far*”- and we know that success is rarely achieved alone. School is not just about lessons; it is about belonging. When students are here, they are part of a community built on kindness, self-belief, and determination. Every day matters, because every lesson is carefully planned to make the most of the time we have together. Missing even a small amount of learning can make it harder for students to feel confident and connected.

We work hard to make every minute count in the classroom, and we also offer a wide range of opportunities for students to enjoy their learning—whether through engaging lessons, clubs, or simply the friendships and connections they build here. As our students say, *‘Mullion is a happy place where everyone knows you’*.

We also recognise that we do not always get everything right for our young people. We are determined to keep improving, and if there is something about school that is making it harder for your child to attend, please let us know. That way, we can look at how best to support them and make sure school feels like a place where they want to be.

Your encouragement in helping your child attend regularly makes a real difference. Together, we can help them feel that strong sense of belonging, enjoy their learning, and aim high for the future.

Thank you for your support.

Yours sincerely

Michelle Dunleavy
Headteacher
